

# My village Krasnogvardeyets

Hi, I am Zhuravlyov Leonid. I want to tell you about my native village named Krasnoavdevets.

- My village is in Tula Region, Tyoplo-Ogaryovskiy District. It is not very small. There are 350 villagers and 6 streets there:

# Tsentralnaya Street,

# 40 let Pobedy Street,

# Mekhanizatorov Street,

# School street,

# Sadovaya Street and Sadovyj Side Street.

- There are no theatres, supermarkets, museums in my village, but there is

# A SHOP

# A CLUB

# A SCHOOL

a park in the village. We can see  
the monument to dead soldiers  
there.

There is a small forest named Zhukov . A landowner Zhukov planted it near his house long ago.

There is a small pond near Zhukov forest. Cows and gees bathe there in summer. Fish and beavers live there. In spring nightingales sing very beautifully there.

My village is famous for  
Zelyonovka. It is favourite place  
of rest of people. They like to  
bathe

to sunbathe there in summer.  
I like my village.

**Thank you for attention!**
